MAGTECH® IS A MEMBER OF CBC GLOBAL AMMUNITION®

Since its creation in 1990, Magtech® has become one of the most successful ammunition brands in the world, building its reputation on quality, consistency and reliability. From sport shooting to self-defense, as well as tactical and law enforcement applications, Magtech® offers a wide range of products for every need.

Magtech® is a member of CBC Global Ammunition®, the holding for a group of companies internationally active in the ammunition sector: CBC Brazil, Magtech Ammunition USA, MEN Germany and Sellier & Bellot Czech Republic.

Together, this strategic alliance forms one of the largest ammunition corporations in the world, with a combined experience of more than 300 years in the manufacturing of small and medium calibers.

CBC 9mm Luger Factory - Brazil

CBC Plant - Ribeirão Pires/SP Brazil

The comprehensive range of CBC Global Ammunition® products is exported to over 100 countries, meeting the needs of Military, Law Enforcement and Commercial markets. CBC Global Ammunition® today is one of the largest suppliers of ammunition to NATO and allied forces, worldwide.

CBC Global Ammunition® has its headquarters and three production facilities in Brazil (where Magtech® products are made), two factories in Europe – MEN in Germany and Sellier & Bellot in Czech Republic – and one subsidiary in Minnesota – Magtech Ammunition Inc, which acts as a master distributor to the US market.

Together, the CBC Global Ammunition® operations employ more than 3,500 skilled workers and produce over 1.5 billion rounds of ammunition each year.

RANGE / TRAINING

Magtech® offers a complete line of high quality rifle and handgun ammunition for range and training use.

RELOADING

Magtech® reloading components are made under the same quality standards as our technologically advanced factory loads, resulting in top quality primers, unprimed handgun brass cases, unprimed shotshell brass cases and handgun bullets that you can depend on.
